

Basic Montessori Zoology Checklist

<input type="checkbox"/>	Distinguishing Between Living and Nonliving (soil, air, water, animal presentation)
<input type="checkbox"/>	Identifying aspects of organisms (what makes something living?)
<input type="checkbox"/>	Discovering the basic differences between plants and animals
<input type="checkbox"/>	Introduction to Scientific Names
<input type="checkbox"/>	Introduction to Zoology 3-Part Cards
<input type="checkbox"/>	Identifying and naming domesticated animals
<input type="checkbox"/>	Identifying and naming aquatic animals
<input type="checkbox"/>	Identifying and naming common forest animals
<input type="checkbox"/>	Identifying and naming birds
<input type="checkbox"/>	Identifying and naming wild animals from around the world
<input type="checkbox"/>	Matching names of young and adult animals
<input type="checkbox"/>	Born versus Hatched
<input type="checkbox"/>	Examining a classification chart
<input type="checkbox"/>	Practicing basic classification
<input type="checkbox"/>	Identifying and naming the parts of a butterfly (any insect)
<input type="checkbox"/>	Identifying and naming the parts of a spider (any arachnid)
<input type="checkbox"/>	Identifying and naming the parts of a fish
<input type="checkbox"/>	Identifying and naming the parts of a frog (any amphibian)
<input type="checkbox"/>	Identifying and naming the parts of a tortoise (any reptile)
<input type="checkbox"/>	Identifying and naming the parts of a bird
<input type="checkbox"/>	Identifying and naming the parts of a horse (any mammal)
<input type="checkbox"/>	Studying feathers and flight (how does an animal structure support a function)
<input type="checkbox"/>	Basic organ structures overview
<input type="checkbox"/>	Studying organs of the human body
<input type="checkbox"/>	Sexual versus asexual reproduction
<input type="checkbox"/>	Courting/mating rituals of animals
<input type="checkbox"/>	Lifecycle (typically of a butterfly)
<input type="checkbox"/>	Understanding basic animal needs
<input type="checkbox"/>	Food chains
<input type="checkbox"/>	Animal homes
<input type="checkbox"/>	How animals survive winter
<input type="checkbox"/>	How animals adapt to Arctic conditions
<input type="checkbox"/>	How animals adapt to Desert conditions
<input type="checkbox"/>	How animals adapt to Grasslands conditions
<input type="checkbox"/>	How animals defend themselves
<input type="checkbox"/>	Animal-Human Relationships
<input type="checkbox"/>	Human uses for animals (eating, etc)
<input type="checkbox"/>	Animal care
