

Road Trip Maintenance Checklist

SUGAR • SPICE
and glitter

Essentials

Check all fluid levels

- windshield
- oil
- transmission
- coolant (antifreeze)
- brake
- power steering fluid

Check tire pressure and tread

Check all brake lights and turn signals (you will need a buddy for this)

Double-check that your first aid kit and safety gear is in the car

Visually check your battery for corrosion, cracks & connections

Clean windshield wipers

Comfort Is Key

Pack entertainment and snacks

Road trip paper chain

Vacuum out the car and wipe it down

Restock items like facial tissues, garbage bags, etc.

Plan out your route and know where rest stops are located
