Mermaid Board Game

Print pages 3-4. You may want to print two copies of page 4 or simply have the kids reshuffle the cards when they reach the bottom of the draw pile.

If you print multiple copies, I recommend removing some of the special space pictures, so the kids don't get frustrated.

Gather small place markers for each player.

Mermaid Board Game

For 2-4 Players

Instructions:

Place your markers on the bubble. Place cards upside down on the "Card Draw Pile".

Choose a player to go first.

The player will draw the top card from the pile then move to the next matching space. Play continues to the next player.

If a player lands on a space with an arrow, she will follow the arrow to the new space.

If a special space card is drawn (seahorse, shell or treasure) the player will head to the matching space, even if it is behind her.

To win by landing on the last mermaid, a player MUST draw a the matching mermaid card.
